Notification for Revision of Programme Fee of B.Tech. Food Technology

VCSG Uttarakhand University of Horticulture & Forestry, Bharsar is offering a new undergraduate degree program, i.e. B.Tech. (Food Technology) under the Institute of Food Science & Technology, located at Majri Grant, Dehradun. This program aims to equip students with scientific knowledge and practical skills in food processing, preservation, and quality control.

It is hereby notified that the Programme Fee for B.Tech. Food Technology under the self-financed category has been revised as per approval of the competent authority. Earlier, the programme fee was ₹50,000 per semester. The revised programme fee is as follows:

- **Revised Programme Fee: Rs. 30,000 per semester**
- **Total Semester Fee: Programme fee Rs. 30000 + University routine fee except hostel fee**

The revised programme fee will be applicable for Academic Session 2026–27. This issues with the approval of the competent authority. Accordingly, this has been revised in the Prospectus 2026-27.
